

The logo for Angonix features a circular icon on the left composed of white and blue dots of varying sizes, arranged in a ring. To the right of this icon, the word "angonix" is written in a lowercase, sans-serif font. The letter "a" is white, while the letters "ngonix" are white, with the letter "g" being a distinct light blue color.

AFRICA'S #3 IXP (in just 2 years)

Connecting the continent and the rest of the world

Established in 2015 and based in Luanda, Angola, angonix provides a carrier-neutral Internet hub to interconnect global networks, network operators and content providers.
